Report on the Financial Statements

We have audited the accompanying financial statements of Assist International, Inc. (the Organization), which comprise the statements of financial position as of December 31, 2013 and 2012, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

To the Board of Directors
Assist International, Inc.
Scotts Valley, California

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Organization as of December 31, 2013 and 2012, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matter

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The schedules of expenses are presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

ASSIST INTERNATIONAL, INC.

NOTES TO FINANCIAL STATEMENTS

December 31, 2013 and 2012

Note 1 – Summary of significant accounting policies

The financial statements of Assist International, Inc. have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. A summary of significant accounting policies follows.

Business activity

Assist International, Inc. (the Organization) is a nonprofit corporation formed on February 2, 1990, providing resources from America to meet needs in developing and third world countries. The Organization has been granted recognition by the Internal Revenue Service as a tax-exempt, publicly supported organization.

Basis of presentation

The Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. At December 31, 2013 and 2012, there were no net assets or activities classified as permanently restricted.

Financial statement estimates and assumptions

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from these estimates.

Concentrations

As of December 31, 2013 and 2012, and at various times throughout each year, the Organization maintained certain cash in bank deposit accounts in excess of Federal Deposit Insurance Corporation (FDIC) limits.

During 2013 and 2012, approximately 72% and 63% respectively, of the Organization's contributions, including donated equipment, materials and services, were made by its largest donor.

Cash and cash equivalents

Cash and cash equivalents include all monies in banks and highly liquid investments with maturity dates of three months or less.

Investments

Investments in equity securities with readily determinable fair market values are reported at their fair market values in the statements of financial position.

ASSIST INTERNATIONAL, INC.

NOTES TO FINANCIAL STATEMENTS

December 31, 2013 and 2012

Note 1 – Summary of significant accounting policies (continued)

Inventory

Inventory represents donated medical equipment and supplies and is priced according to fair value. The first-in, first-out method is not observed because equipment is designated for specific projects. See Note 5.

Property and equipment

All acquisitions of property and equipment in excess of \$1,000 and all expenditures in excess of \$1,000 for repairs, maintenance, and renewals that materially prolong the useful lives of assets are capitalized. Property and equipment is stated at cost or estimated fair value at date of receipt if donated. Depreciation of property and equipment is provided over the estimated useful lives of the respective assets on a straight-line basis. Depreciation expense for the years ended December 31, 2013 and 2012, was \$92,877 and \$86,435, respectively.

Revenue recognition

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted net assets depending on the existence and/or nature of any donor restrictions. All donor-restricted net assets are reported as an increase in temporarily restricted, or permanently restricted net assets depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. During the years ended December 31, 2013 and 2012, there were no contributions received that were classified as permanently restricted.

Functional allocation of expenses

The Organization provides information about expenses by functional classification. Functional classification groups expenses by major classes of program services and supporting activities. Program services are expenses that directly fulfill the mission or purpose for which the organization exists. Supporting activities are those expenses that are not program services, but make it possible for the Organization to provide program services. Supporting activities typically include management, general and fund raising expenses.

Income taxes

The Organization is exempt from Federal and California income tax under Internal Revenue Code Section 501(c)(3). The Organization is subject, however, to Federal and California income tax on unrelated business income as stipulated in Internal Revenue Code Section 511 and Regulation Section 1.511. During the years ended December 31, 2013 and 2012, the Organization had no net unrelated business taxable income.

ASSIST INTERNATIONAL, INC.

NOTES TO FINANCIAL STATEMENTS

December 31, 2013 and 2012

Note 1 – Summary of significant accounting policies (continued)

Income taxes (continued)

The Organization follows the provisions of Accounting Standards Codification (ASC) 740-10-50, *Accounting for Uncertainty in Income Taxes*. The statement requires that a tax position be recognized or derecognized based on a "more-likely-than-not" threshold. This applies to positions taken or expected to be taken in a tax return. The statement had no impact on the Organization's statement of financial position or statement of activities. The Organization does not believe its financial statements include (or reflect) any uncertain tax provisions.

Donated materials and services

Donated materials are recorded as contributions in the accompanying statements at their estimated fair market value at the date of receipt.

A substantial number of volunteers, both professional and non-professional, have made significant donations of their time to the Organization's program services and administrative services. Donations of professional services have been recorded in the accompanying statements at their estimated fair market value. Non-professional donated services, however, have not been reflected in the financial statements as no objective basis is available to measure such services. Management has estimated that non-professional services rendered on a volunteer basis could be estimated in the tens of thousands of dollars.

Note 2 – Property and equipment

Property and equipment consisted of the following:

	2013	2012
Automobiles	\$ 162,612	\$ 162,612
Office equipment	111,272	80,764

ASSIST INTERNATIONAL, INC.

NOTES TO FINANCIAL STATEMENTS

December 31, 2013 and 2012

Note 3 – Investments

Investments at December 31, 2013 and 2012, consisted of the following:

	Fair Market Value	Cost	Unrealized Gain (Loss)
December 31, 2013			
Investments in stock	\$ 121,614	\$ 75,451	\$ 46,163

	<u>\$ 101,230</u>	<u>\$ 75,451</u>	<u>\$ 25,779</u>

The fair value of the Organization’s investments is measured based on levels of observable and reliable assumptions as follows:

Level 1: Valuations for assets and liabilities traded in active exchange markets. Valuations are obtained from readily available pricing sources for market transactions involving identical assets or liabilities.

Level 2: Valuations for assets and liabilities traded in less active dealer or broker markets. Valuations are obtained from third party pricing services for identical or comparable assets or liabilities.

Level 3: Valuations for assets and liabilities that are derived from other valuation methodologies, including option pricing models, discounted cash flow models, and similar techniques, and not based on market exchange, dealer, or broker traded transactions. These valuations incorporate certain assumptions and projections in determining the fair value assigned to such assets or liabilities.

The Organization’s investments are measured and reported at fair value on a recurring basis.

The tables below set out fair value measurements based on the levels described above for December 31, 2013 and 2012, respectively:

	2013			
	Level 1	Level 2	Level 3	Total
Equity securities	\$ 121,614	\$ -	\$ -	\$ 121,614

Note 4 – Note payable

On July 7, 2008, the Organization obtained a note payable, secured by real property, to Assemblies of God Loan Fund in the amount of \$1,518,000. The note is payable in monthly interest installments of \$8,584 at a 7.00% rate of interest through March 15, 2029. The outstanding principal balance of the note payable for the years ended December 31, 2013 and 2012, was \$1,219,042 and \$1,236,066 respectively.

The required minimum payments for each of the next five years consisted of the following:
